

Skating For Youngsters Called Town Responsibility

The Town of Arlington is presently engaged in a project which it believes very vital, that of providing skating areas for the community's youngsters.

Town Manager Edward C. Monahan said that he would like skating areas set up where-ever multiple-use black-top areas now exist.

Until recently, the Town took care of Meadowbrook, Hills and to a certain degree several smaller ice-over areas.

At the present time, areas at Cutter, Florence avenue (Dallin) Crosby, Hardy and Parmenter schools are to be utilized for skating. An area at the Junior East has been flooded and sections of Reservoir Field have been marked off and flooded and gravel banks placed to hold the water.

Many of the Town Departments have joined hands to help make this project a success and it is hoped by officials that in another year, Town Departments will care for two or three skating areas each section in the Town.

The Town Manager said that he believed that the Town has a responsibility to provide skating for the youngsters and that the youngsters are entitled to a much broader distribution of the benefits of skating.

Already, favorable comments are coming in from PTA groups concerning the skating areas.

At the present time, a recreational director visits the flooded areas during the afternoons, takes attendance and makes comments

on conditions at the areas. Another possibility concerns lighting. At the present time, lights are utilized at Meadowbrook and the Reservoir, but actually are desirable at all areas.

Also desirable is daily flooding by the fine spray method and daily scraping of all the skating areas.

In Business In Arlington Center For Twenty Years

One of Arlington Center's most prominent landmarks is celebrating its 20th anniversary. Koford's Restaurant, 641 Massachusetts avenue is now celebrating some twenty years of continuous service at its location, near Railroad avenue, opposite Pleasant street.

Alice W. Koford is president and treasurer of Koford's which has served a long and distinguished list of patrons for these many years, earning along the way an enviable reputation for quality foods.

Certificate Fees Cost Up 100 Percent

Chapter 17, Acts of 1957 passed by the State Legislature and approved by the Governor during this session will become effective May 2. According to Town Clerk James J. Golden the Act provides for an increase of fees to be charged by Town and City Clerks as follows: certificates of birth, death and marriage \$1.00. This represents an increase of 100 per cent over the existing fee of 50 cents.

Hunt Announces Candidacy

Bruce R. Hunt this week announced his candidacy for the office of Selectman.

"The town of Arlington has now come face to face with the serious problems confronting all communities unable to keep pace with increased costs by a corresponding increase in assessed valuation. The manner in which we resolve this problem will determine the future of Arlington."

"A strong, positive platform is an essential requisite to acceptance by the intelligent voters of Arlington and the next few weeks will bring forth my platform for the improvement of Arlington," stated Hunt. Hunt was educated in the Arlington school system and attend Harvard University where his courses included history and government and a graduate seminar in municipal and corporate taxation.

Dear Mr. and Mrs. Grano:

It is a privilege and pleasure to notify you that your son, John, has been chosen Airman of the Month of the 5001 USAF Hospital.

His selection was effected in competition with other airmen of the unit. Selection was based on performance of duty, military demeanor, courtesy, and knowledge of the service.

The unit will reward him with a cigarette lighter, a three day pass at his convenience and excuse him from squadron duty roster for a period of thirty days.

It is gratifying to have men of John's caliber serving with me and I'm sure he will continue to be a credit to his family, friends and the United States Air Force.

Sincerely,
James R. Gibbs
Capt., USAF (MSC)

Hunt Resigns From Pair Of Organizations

Bruce R. Hunt, candidate for the office of Selectmen, has sent the following letters to the Arlington School Citizens Committee and the Improvement League of Arlington resigning from both groups.

Mrs. Milton H. Anderson, chmn. Dear Mrs. Anderson:

It is with great personal reluctance that, due to my candidacy for Selectmen, I submit my resignation to the Arlington School, Citizens Committee.

The purposes and accomplishments already recorded by the School Citizens Committee are worthy of much comment. As a result of its use as a vehicle to air public reaction to the policy and actions of the formal school administrators many constructive ideas are germinated and bear fruit. Its function as a medium bringing factual information about schools, teaching methods and the problems of Arlington in particular has served to assure the intelligent parent that Arlington does care about its children.

I have enjoyed very much the opportunity to be a part of this Committee and sincerely wish you all continued success.

Sincerely Yours,
Bruce R. Hunt

Improvement League of Arlington
Miss Mordena Campbell, Sec.

Under by-laws adopted by the Improvement League of Arlington, as a candidate I am no longer eligible to hold membership and so I herewith submit my resignation. May I take this opportunity to congratulate the League on their many successful meetings where principal town officers have been featured speakers.

The purpose of the League, in fact-finding and then inviting frank, stimulating comment, cannot help but be beneficial to the town. Your committee has taken a giant step toward greater understanding of the problems, and suggested methods of tackling the business of municipal administration.

Only an informed citizenry can assume its full responsibility in the community.

Sincerely Yours,
Bruce R. Hunt

To Discuss UN Role At Public Meeting At Town Hall

"The U. N. and its Role for Peace" will be the subject of a public meeting Thursday, Feb. 7 at 2 p.m. in the Town Hall. Sponsored jointly by the Arlington Golden Age Club and the League of Women Voters, it is anticipated this discussion will arouse town-wide interest in the international problems which are becoming increasingly difficult.

Mr. John Gibson, director of the World Affairs Council with offices in Boston will be the guest speaker. He stated it is the aim of this organization to stimulate the average citizen to think and talk about these international problems, and specifically to spread more information regarding the actual operation of the United Nations today.

Music for the program will be provided by Augustus Mazzocca's Elementary orchestra. Mrs. Harold B. Wood of the Golden Age Club emphasized that there will be no admission fee.

Nothing New On Skating Rink

A member of the MDC told this paper this week that "nothing is firmly established" concerning the proposed skating rink near Route 2. The matter is still under study as a result of the proposed Route 2 construction in the general area.

I trust the foregoing will be a satisfactory answer to the question — "What has caused our tax rate to increase \$11.60 since the advent of the Town Manager government in 1953?"

Very truly yours,
Edward C. Monahan

Rawson Favors Open Meetings

Selectmen Thomas Rawson told this paper that he has been a supporter of open meetings for many years. He said that he has made motions at Board meetings to allow such open meetings.

Continuing, the member of the local board, stated that he was never able to have the motions carried. He says that his feelings about the matter are on the records from "way back."

"It is not a recent thing with me," Rawson said.

The only member of the Board to favor open meetings when the matter was brought up at a recent Board Meeting, Rawson believes that open meetings will allow residents to know who is for and who is against certain measures. He also noted that residents could learn about the agenda, the duties and problems involved in running a Town, if meetings were open.

Rawson also said that many persons feel that Selectmen have jurisdiction over matters which really come under other authority. He concluded by saying that the Board is working for one interest, to better the Town of Arlington.

Changing to another subject, Rawson said that he is still opposed to Route 3 coming through Arlington and is also opposed to Route 2 coming through in its present direction.

Mr. Rawson noted that as he explained for the record at the hearing on Route 2 two weeks ago, a wide embankment could be constructed out into Spy Pond from the Pleasant street area and then heading the road toward the MDC owned marshland and away from the St. James land and parking area and the houses and gas station which are in the way according to the present plans.

To The Editor

To the Editor:

I would like to take this opportunity through the medium of your very fine newspaper to sincerely thank the voters of Arlington, who have recently signed my nomination papers for re-election to the School Committee. Your endorsement is most gratifying and in return I pledge my continued effort to maintain and further improve the high standards of our school system.

Arlington enjoys an excellent reputation in the field of education and it is my earnest purpose to solidify that position by careful analysis and sensible acceptance of progressive trends in education today.

Arthur F. Coughlin, Jr.

Arlington 74, Mass.

Brosnan Cites Reception

Cornelius J. Brosnan, candidate for Selectman, stated he was very gratified at the reception given to him while calling both in person and by phone throughout the town. Mr. Brosnan stated that he has found a growing unrest among the people of Arlington concerning the actions of certain departments and individuals associated with the town. Because of his lengthy experience as a resident and businessman in the town he has had assurances that his election would bring a new light to the Town of Arlington.

League Plans Discussion Series

The League of Women Voters of Arlington will hold discussion groups on Tuesday, Wednesday and Thursday of next week.

Four New Members For Lion's Club

Four new members were initiated into the Arlington Lions Club at the meeting held Monday night at the Knights of Columbus Hall.

Included were Wayne MacLeod, Howard Hunter, Theodore Pickett, Jr., and Albert Pettorino.

A large crowd was present at the meeting including members from Brookline, Belmont, and the Boston Host Club.

A zone meeting was held at the conclusion of the regularly scheduled meeting.

Chairman of the Arlington Board of Selectmen Joseph Greeley congratulates Captain Michael Pizziferri of the 2nd Marine Bat. who led his group in a "Marine March for Polio" last week. The Marines started in Greenfield January 28 and arrived in Arlington Saturday. They raised \$1,000 along the way. Captain Pizziferri, along with other members of the Bat. appeared on the Will Rogers TV show in New York, Wednesday morning.

American Legion Auxiliary Notes

Mrs. Rena Neves gave the invocation at the meeting of Unit 39, American Legion Auxiliary, Monday night.

Business discussed during the meeting included the report that the local unit would take part in the Naturalization Court program next month.

Once again the local unit discussed plans for sending an Arlington high school student to the Mass. Girls State held at the State Teachers College at Bridgewater. The program has been in operation for the last nine years and many Arlington pupils have been given the opportunity to attend by the local unit.

The group also discussed a Valentine Bridge and Whist party to be held at the Legion Hall, February 18. Many prizes will be awarded.

Past Department President, Mrs. Anna Buckley, now serving as Unit 39 President left this week for the National Security Conference to be held February 7, 8 and 9 in Washington, D. C.

Among those past directors tendered a tea at the Middlesex County Council meeting in Malden, Saturday, was Mrs. Anna Buckley of Arlington. A district forum was conducted at the session under the direction of the Department Secretary.

A surprise testimonial was tendered Department Secretary Mrs. Fitzgerald for her 20 years as Department Secretary for the American Legion Auxiliary.

Mrs. Anna Buckley was chairman of this part of the program and in making the presentation of 20 roses, one for each year of service, and a purse, started with a poetic prayer and then expressed the faithful thanks to the honored guest for her fine service over the years and praised her for the work she is still doing.

Attending the County Council session from Arlington were the President, Anna Buckley; Secretary, Georgia Doyle; Treasurer, Sophie Weslowski; Past President Ursula Gallerani; and Jane Owens.

League Leader On Radio, TV

Local members of the League of Women Voters were notified this week that their national president, Mrs. John G. Lee will be the featured guest on Edward R. Murrow's "Person to Person" radio broadcast this Friday evening, February 18. This will also go out on TV channel 9. It is understood Mrs. Lee and her family will be visited in their Washington home by Mr. Murrow.

Mrs. G. Edward Wilkins, local League president, stated that their particular subject for conversation will be the United Nations, with special attention to those U.N. programs aimed at providing technical assistance and economic development of the so-called "underdeveloped" nations of the world. She explained that this program of Mrs. Lee is just one phase of the League policy national to give widespread support to the United Nations at this particular time.

Arlington Ties For Second As Melrose Moves Into First Place In G.B.I. Race

The G.B.I.'s "I'm in first place no I am" battle was scrambled again last Friday night when Belmont and Newton were tumbled by Arlington and Melrose respectively in the first round playoffs at the Arena.

As a result, defending champion Melrose took over undisputed possession of the top spot with Arlington and Belmont sharing the second place birth and Newton dropping to third.

However, either Arlington or Belmont or both could jump over the Raiders into first place after the final buzzer sounds Saturday afternoon. The Spy Ponders tangle with the defending champs and Newton plays Belmont. A loss by Newton would eliminate that team from first place contention. On the other hand, should Arlington and Belmont both lose, Melrose would be assured of at least a tie for first. After last week's games there are only two points separating the four clubs. Each of the four teams seems to have the ability to win when it has to; just when a loss would ruin its title chances.

GRAB EARLY LEAD
Arlington grabbed an early edge in the game with Belmont Friday night and then held off a last period drive which netted the league leaders two last period goals, just one shy of enough to tie the score.

Gerry Cronin moved Arlington ahead 1-0 at 4:33 of the first period with Aiken getting the assist and the two reversed the procedure at 5:09 with Aiken getting the goal and Cronin getting the assist.

Bobby Bowser broke through at 9:01 of the second period with what proved to be the winning goal with George Limerick getting an assist.

Belmont's high-scoring Gardner scored the initial Belmont tally just minutes before getting injured in the third period. The outstanding Belmont star lit the light at 3:55 of the second period with Bennett grabbing the assist. A short time later, after a collision with Arlington's Mike Faola, Gardner suffered injury as he was racing in on the right lane.

Bennet added a second marker for the losers just 23 seconds before the final buzzer with McBride getting credit for the assist.

HARRINGTON SCORES 2
Bob Harrington scored with just 0:42 gone in the opening period and then added a clincher mid-way through the final stanza to give Melrose a 3-1 edge over the league's highest scoring team from Newton.

Harrington's first score was held for less than a minute as Newton's Boardman tallied at 1:33.

George Lowe moved Melrose ahead 2-1 at the 8:05 of the period with Dobbins bragging an assist. Harrington then added the icing at 5:45 of the final period.

Brookline Wallops Locals; Arlington Scores Waltham

Brookline scored 30 points in the second half and Waltham rolled up 45 points in the third and fourth periods to hand the Arlington basketball team twin defeats last week. Brookline chalked up a 58-38 decision as McNulty scored 27 points and four members of the Waltham team hit for double-figures as the Watch City team chalked up a 68-42 verdict over the locals.

Eight Arlington players scored in the Brookline game with Skendarian, Donovan and Gilpatrick tallying eight points. Jay Donovan and Captain Charlie Pigott led the way in a losing cause by scoring 16 points each in the Waltham game.

Brookline jumped out front 14-12 in their game with the locals and then moved ahead 28-18 at halftime. The winners tallied 14 points for a third time in the first period and added another 16 in the final period. Arlington slumped during the second and third stanza scoring only 14 points, but came back with 12 in the final period.

The locals stunned powerful Waltham by holding that team to a 23-22 lead at halftime, but the winners came back to score 23 points in the third canto and 22 in the last session to wipe out Arlington's 30 points in the second half. Waltham led 17-7 at the first quarter, but Arlington outscored the Watch City Club 15-6 in the second period.

Your Income Tax

By James R. Canavan, C.P.A. This is the first of a series of eight articles on Federal and State Income Taxes distributed by Boston Chapter of the National Association of Cost Accountants.

Who must file a Federal tax return?

A Federal tax return must be filed by every individual under 65 who had taxable income of \$600 or more during 1956. A taxpayer who is 65 or over must file a return only if he has gross income of \$1200 or more for the year. However, if your gross income is less than \$600 (\$1200 if you are 65 or over), but a tax was withheld on your wages, you should file a return to obtain a refund of the tax withheld.

Are the 1956 Federal tax rates the same as they were in 1955?

Yes. The rates for 1956 are the same as they were in 1955.

When must my Federal return be filed?

Your individual return for the year 1956 must be filed on or before April 15, 1957.

What income must I report on my tax return?

You must report your gross income. Gross income includes compensation for personal services, income from a business, interest, rents, dividends (in excess of exclusion), profit from sales of property, and income from any other source unless exempt from tax.

Exempt Income

What is meant by "exempt income"? Exempt income is income which does not have to be included in computing your tax liability. It includes such items as the following:

Interest on state and municipal obligations.

Accident insurance proceeds.

Benefit payments to veterans under veterans' laws.

Group life insurance premiums paid by your employer.

Gifts and inheritances.

Life insurance proceeds paid as a result of death.

Old age and survivors' benefit payments under the Social Security Act or the Railroad Retirement Act.

Most stock dividends.

Supper money paid by your employer.

Unemployment benefits.

Payments received under Workmen's Compensation Acts.

Allowances to dependents of servicemen.

Dividends from domestic corporations up to \$50.

Contributions by your employer to accident and health plans.

During 1956 I received dividend income of \$400 from a local manufacturing company. How should I report this income on my 1956 Federal tax return?

You should exclude from your gross income the first \$50. If you are married and the stock is owned jointly by you and your wife, you should exclude \$100 on your joint return.

In addition, you are allowed a credit against your tax in an amount equal to 4 per cent of the dividends received during the year and included in your income. In this illustration, a single taxpayer would get a credit of \$14 (4 per cent of \$350). This credit may not exceed the lesser of your 1956 tax liability or 4 per cent of \$350. This credit may not exceed the lesser of your 1956 tax liability or 4 per cent of your taxable income.

The credit is not available to a taxpayer who reports his income on the Wage Earner's return, Form 1040A.

Not All Eligible

Are all dividends eligible for the dividend exclusion and credit?

No. Dividends from mutual savings banks, co-operative banks, savings and loan associations, exempt farmers' co-operative associations and certain other organizations are not eligible for the dividend exclusion and credit.

Must I report the income of my wife and children?

You must report your wife's income if you file a joint return. You do not report the income of your children on your return.

My wife worked part time during 1956. She earned \$450 and her employer withheld \$40. How should this income be reported?

You and your wife should file a joint return which will result in the combining of your income and the \$450 earned by your wife. In this way, your income tax return will have two \$600 exemptions—on for you and one for your wife.

It would be a mistake for your wife to file a separate return in order to get a refund of \$40. If this were done, you would be entitled to only one exemption on your return. Thus, on your separate return, \$450 of income would be excluded, but you would lose a \$600 exemption.

Councillor Crimmins and District Attorney O'Dea, who is the principal speaker, are close personal friends. One of the unusual side-lights of their association is the fact that in the last campaign, Councillor Crimmins' campaign was managed by his cousin, James L. Sullivan of Somerville and District Attorney O'Dea's campaign was managed by another cousin of Councillor Crimmins, James Dronney of Lowell.

To Mr. and Mrs. David C. Moore (Marjorie Cunningham) of 92 Page road, Bedford, a son named Brian Kincaid on January 25 at Symmes.

Fidelity Program Attracts Town Wide Attention Here

"Boys and girls from every section of Arlington have enrolled as members and are actively participating in the wide variety of programs offered at Fidelity House" stated Jim Sumner, executive director in his monthly report to the Friends of Fidelity House at the dinner meeting on Monday night at the Medford street clubhouse.

After partaking of a chicken dinner the 75 men present heard reports from the various committee chairman and Financial Secretary Leonard G. Russell. Reporting for committees were John Collins, children programs; Jim Cashin, finance; Charles Bowser, awards; Bob O'Brien, adult programs; Tom Guilderson, house. President James O'Donnell presided over the business meeting and Msgr. O'Gorman spoke briefly. A film of the Red Sox Baseball organization proved interesting to the men.

In his report Sumner disclosed that January, despite much harsh weather, was another big month for attendance with the big gymnasium attracting youngsters of all ages and faiths to become dues paying members.

A total of 43 different programs were conducted thru January with only 5 of these of the once a month type and all others daily or weekly activities. Three new programs, Ballet and Instruction, a High School Age Current Events Club and a Junior Leaders Corps, were added and will meet regularly from here on. The Thursday Supper Club (Girls cooking class) and the Girls Knitting Class were reorganized under new adult supervisors.

The six backboards and hoops in the basketball court received more than their usual heavy pounding as the 6 boys and 2 girls travelling teams operated on the schedules of their respective leagues. Group games from 4 to 5 daily were magnets for large numbers of boys and girls every afternoon from 4 to 5 p.m.

In concluding his report the executive director listed 202 sessions will serve as hostesses at a social of all types were held in January

involving 2771 boy and 1916 girl periods. During the same period 452 Men and 492 Women supervisory periods were consumed in the overall operation of Fidelity House. The final figures quoted showed a grand total for the month of January of 5665 boys, girls, men and women were in the youth center for an organized program at least once during the month, the figure includes in some cases the same child or children who may have attended several different programs.

Games rooms attendance and library attendance figures because of their spontaneous nature of appeal as opposed to regularly scheduled activities are not incorporated in the monthly report.

Hostesses

Among the hostesses at Northeastern University's Faculty Wives Club Meeting to be held February 8, at 2 p.m. in the Milton Lounge, Student Center Bldg., 360 Huntington avenue, Boston, will be Mrs. Roy Shelby of Arlington and Mrs. Edward Booth of Arlington.

Boy Scouts Of America Observe Three Birthdays

National Boy Scout Week observance of the 47th Anniversary of Scouting in America is, this year, a part of the world-wide 50th Anniversary of the Boy Scout Movement and of the hundredth anniversary remembrance of its founder's, Baden-Powell's, birth. This year will see 50,000 Scouts and Explorer Scouts going to the Fourth National Boy Scout Jamboree at Valley Forge, July 11th to 19th and 1,600 lucky Scouts will continue on to the Jubilee-Jamboree in England.

These Scouts sail from New York, July 22, on the U. S. Fair-sea and are due to make port in Plymouth, England on July 31. They will attend the Jubilee-Jamboree at Sutton-Coldfield from August 1 to 12, then follow an itinerary that includes a motor-coach tour with guide via Hyde Park, Buckingham Palace, Westminster Abbey, Houses of Parliament, Big Ben, Piccadilly et al and on to Lucerne in Switzerland on August 14 and 15.

From there it's through the Alps to Lugano, then Venice, Florence, Rapallo, Cannes, Paris and so to Le Havre and the S. S. Fair-sea home, arriving in New York on September 5. Arlington Scouting hopes to be represented at the National Jamboree at Valley Forge by six Scouts for whom registrations are now "in process" together with District Commissioner Charles W. Clark serving as an assistant scoutmaster at the Jamboree.

Registration application is being made, according to present information, for one fortunate Arlington Scout, Steve Weller of Troop 8, to go all the way to the Jubilee-Jamboree in England. Arlington District, Boy Scouts, is to be congratulated in having another representative chosen to accompany the Scouts in the person of Kenneth A. Cameron, Parkman School principal, while Sachem Council will be further represented by its chief executive, Howard D. Butler.

20 Window Displays
 Meanwhile, here on the "home front" during this period of National Boy Scout Anniversary observance there will be twenty window displays of Scouting exhibits throughout the town with a special "District Window" display at the

W. T. Grant Company, Arlington Center, sponsored by the Commissioner's Staff. There will be the usual Scout Sunday observances on February 10 with Scouts from St. Agnes and St. James going into Boston to the Cathedral for the "Ad Altare Dei" religious award, while Troop 6 is to have a special observance service at the Baptist Church, Arlington Center.

The customary Sachem Council Banquet for its Scouters will be held on Saturday, February 9 at 6:30 p.m. at the Lexington High School. There will be four Silver Beaver Awards—one of which is rumored to be going to an Arlington recipient.

Then, on Saturday, February 16 there is the all-day SCOUTER-ALL at the Arlington Town Hall. This features an interesting and worth-while showing of Scout Skills and Cub Crafts intended to demonstrate the contribution of Cubbing, Scouting, Sea-Scouts-manship and Explorer Proficiency to the community.

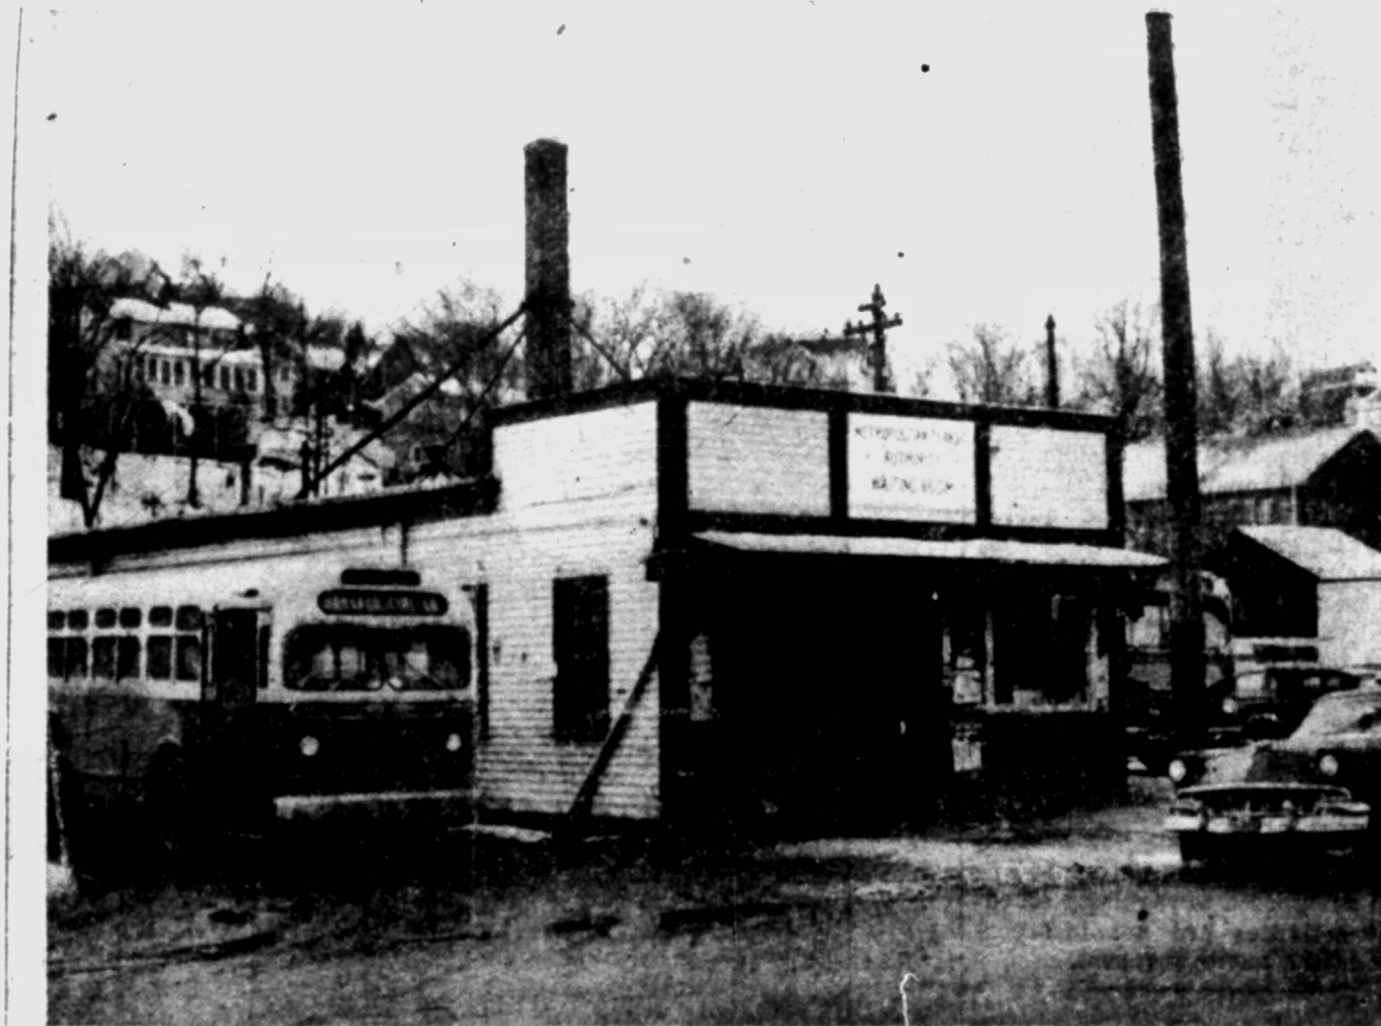

With 25 display booths tastefully arranged under the practiced supervision of Horace H. Homer, Scouterall Committee Chairman, the work and activities of Arlington's 1,357 boys in Scouting, its eleven Scout Troops, twelve Cub Packs and one Sea Scout Ship, together with its Explorer Scouts under Fred Korff will be demonstrated.

Arlington's Public Relations Chairman has been fortunate in being able to obtain radio coverage for Arlington, as well, as a part of the Sachem Council Scout Week observance program.

Scout News

The Cub Scouts of Pack 94 held their monthly Pack meeting on January 25 at Trinity Baptist Church. The Theme was "Eyes in the Sky." The meeting opened with a "Star Hunt" by the parents and cubs. This was followed by darkness, which showed "The Winter Constellations" and star mobiles shining in the dark. Then with a clash of cymbals the Cub Master, George Kinsman, entered, dressed as the Wizard.

Stanley Burak opened the meeting with "The Cub Promise" followed by Paul Kenney, who led the group in singing "The Star-Spangl-

ed Banner." Bruce Stacey made a projector which showed the different Constellations, which the boys in all the Dens had made. This was put on by Den Mothers Dora Stacey and Marie Burak, who were in charge of this meeting.

After the game "Flying Saucers", which was won by Stanley Burak, three boys were presented with their Birthday books, Kenneth Lawson and Peter Manderino received Lion books and Douglas Thurber the Bear book. In the closing ceremony the American Flag was spot lighted and the Wizard, George Kinsman, read an original poem entitled "Our Flag."

The Theme — Eyes in the Sky — will be on display during Scout Week at the East Arlington Barber Shop, 191 Mass. avenue and "The Bottom of the Sea" will be at the Broadway Variety Store, 98 Broadway, along with other crafts made by the Cubs. There will be a Blue and Gold Banquet at the Pack Meeting in February.

TROOP 8 — ARLINGTON BSA
 As a part of the observance of National Boy Scout Week Troop

8 will hold a Father and Son Night with dinner and awards at 6:30 p.m. on Monday, February 11 at the Pleasant Street Congregational Church's Fellowship Hall, 75 Pleasant st., Arlington.

Sachem Council's Chief Scout Executive Howard D. Butler is to be the featured speaker. Following the presentation of awards there will be a movie, "Voice of the Deep" which follows the current trend of showing the compatibility of religion and science.

The dinner will be "toast beef" served under the auspices of the Gardner Group of the Anna Bradshaw Guild, Mrs. Ralph Tuller, chairman. Scoutmaster Irving Pass promises both a gala occasion and an interesting evening in the tradition of Troop 2 affairs.

Assistant Scoutmaster Robert E. Wilson will assist with the awards and Troop Committee Chairman Howard E. Robertson, Jr. will preside and serve as master of ceremonies.

Through the arrangements of Mr. Ralph Hiatt, Troop 85 of the Arlington Boy Scouts, plus all

other Troops in the town, was privileged to attend a Judo exhibition put on by the Judo team at Hanscomb Field on January 21.

The exhibition was held in the new gymnasium at the Bedford Field and was attended by about 200 people, comprised mostly of Boy Scouts from the five or six Troops and some of their fathers.

Six men took part in the affair. Two of the men, Sgt. Randall and 11C Richard L. McDonald, Asst. Base Judo Instructor, are holders of Black Belts won in Judo competition in Japan.

The team demonstrated various Judo techniques as well as the various ways to fall and examples of a number of throws.

Army Capt. Charles F. Donahue, son of David J. Donahue, 117 Appleton st., Arlington, recently was assigned as repairs and utilities officer of Berchtesgaden Station, Munich Sub-Area, in Germany.

Captain Donahue entered the Army in 1946. He attended Boston University.

Seven Sportsmen's Show Trophies Are Won Here

Arlington is justly proud of the fine record made by a group of its younger citizens at the New England Junior Casting Championships, held at the Sportsmen's Show in Boston on February 1-2.

Out of 21 trophies, seven were brought back to Arlington. This included four firsts, one second and two thirds.

The outstanding performance was turned in by Richard James of Melrose street, a member of the Suburban Anglers and Casters Club of Waltham. Richard had a perfect score of 300 in the expert fly casting event and a score of 96 out of a possible 100 in the expert 5-8 ounce bait casting event.

In the novice class, 5-8 ounce bait casting, the three winners were all from Arlington. The winner was Stephen Taylor of Oakland avenue, a member of the Suburban Anglers and Casters Club.

Second prize went to Raymond James of Melrose, also a member of the Suburban Anglers and Casters Clubs. Third prize was won by Ted Latty of Aberdeen road, a member of the Arlington Boys' Club.

The teen age 5-8 ounce bait casting event was won by Stuart Belden of Oak Knoll. Stuart is a member of the Arlington Boys' Club and the Spy Pond Rod and Reel Association. Third place in this event went to Chris Lewis of Lombard road, a member of the Arlington Boys' Club.

The Spy Pond Rod and Reel Association will have the names of the Boys' Club members engraved on the trophies they won and formal presentation will be made at the February 13 meeting of the Spy Pond Rod and Reel Association which will be held at the Boys' Club at 7:30 p.m. The public is invited to attend.

"A Fruitful Bough"
Universalist Sermon

Using as a reference one of the first great American works of literature, Governor William Bradford's Journal, its paraphrasing in Hebrew of Psalms 14 and 53, last Sunday's sermon at the Universalist Church, delivered by the Pastor, the Rev. George J. W. Pennington, was entitled, "Fear Where There Is No Fear." It was a sermon indicating the distinction between being afraid, and winning over fear. Pointing out social and personal causes for fear, Rev. Pennington stated that "We live in a time that sets before the spectre of our fears the light of hope and promise to a greater extent than has any previous day."

"Indeed, the whole world knows that in both the most intimate personal circumstances and the widest range of world conditions our castles may come tumbling down to form a rubble-mound to our errors, our ignorance and our selfishness," continued the Pastor. "Yet," he stated, "because more men and women are about the dedicated work of replacing man's personal and social fears with accomplishments and skills in all the physical and social sciences, the atmosphere of the world in the 57th year of this century is brighter. There is such a renewal of the spirit of hope in the hearts of people everywhere, that times of world and personal crises increasingly attract man's determined effort to meet them adequately, and man is less content to run from his problems, creating intricate defenses and escapes."

Announcing this Sunday's sermon Rev. Mr. Pennington said it might be called a father and sons sermon, "for out of an Old Testament scene in which a father and his sons are gathered together, there comes a lesson of inspiration." Using Chapters 48 and 49 of Genesis as resource materials, the sermon to be delivered is entitled, "A Fruitful Bough, Branches over the Wall."

Historical Group
Holds Session

Despite the storm, some forty members of the Arlington Historical Society gathered at the First Parish Unitarian Church on Tuesday evening. In the absence of president Laurence L. Barber, the brief business meeting was conducted by vice-president Elmer E. Barber, who paid tribute to the memory of three former members, McKim, 65 Oak Hill drive, Grade Ernest Moore and Mrs. Vernon G. Sloan. Several amendments to the by-laws were adopted on recommendation of Ernest R. Moore, chairman of the by-laws committee.

In observance of the 200th anniversary of the birth of Alexander Hamilton, Miss Edith Winn, program chairman, introduced Miss Edna McGlynn, Ph.D., professor of history at Salem Teachers College. In her discussion, Dr. McGlynn stressed three factors: the youthful age at which Hamilton showed unusual abilities; his contribution to the writing of the Constitution and his explanations of that document in the so-called Federalist Papers, and his work as the first Secretary of the Treasury.

A social hour followed the program, during which bouillon was served by Miss Winn and her committee.

A SECOND HALF CENTURY

National Boy Scout Week, February 6-12, marks the 47th Anniversary of the Scouting Movement in America and the 50th Anniversary of Scouting.

Helping to mark the annual celebration will be some 6400 Sackem Council Scouts from Arlington, Belmont, Lexington, Bedford, Needham, Needham Heights, Lincoln, Collis, Watertown and Waltham. Serving them will be some 1800 volunteers, scouters and scout leaders. During the past four years the Sackem Council has grown more than 50 per cent.

The February 6-12 celebration helps to speed the Scouting program of "Onward for God and Country" in which a scout is taught to "Be Prepared" in body, spirit and will.

Scouting's 50th Anniversary of "doing good deeds" in the world, and its record of building boys into better men to help make a better nation is unparalleled. Based on principles of self-reliance, Scouting opens the door to the out-of-doors.

Its famed oath and law instill a high moral code, the observance of which builds character. By absorbing a knowledge of the fundamental skills Scouts learn the simple virtues and practical ways of getting on in the world.

The growth of Scouting is simply amazing. Every 30 seconds a boy joins the Scouts. In Massachusetts, there are twenty or more Boy Scout units for the physically handicapped, the lame, the halt, and the blind.

By living, playing, and working together, boys in Scouting practice democracy in action, because Scouting is for boys of every race, religion and economic background.

Scouting badges, some 95 of them are awarded for Boy Scout achievements ranging from automobile driving to journalism, astronomy and plumbing. An Eagle Scout must earn at least 21 of these badges.

Many of the exhibitions and works contributed by Scouts will be on display this month when a giant Scouterall will be held at the Arlington Town Hall, February 16. The program will be an exhibition of Scout Skills and Cub Crafts to demonstrate the contribution of Cubbing, Scouting, Sea-Scoutmanship and Explorer Proficiency to the community. Twenty-five booths will be set up and some 1357 boys will be represented.

This tremendous program despite its great success is in need of helpers. Scouters and Scout Leaders are needed to serve the boys who are doing such a great work in Scouting. Do your part. Remember, Service To Youth is a Service To You. Make this Scouting Program even bigger and better and make the second half century of Scouting even faster-growing than the first.

Babson Discusses

SCHOOL TEACHING

Exclusive NEWS Feature

Roger W. Babson

Two basic financial problems are facing every city and town today. (1) Higher interest rates must be paid for all money borrowed, including that for new schools, and there is a shortage of money at any cost. (2) Higher salaries are being demanded by teachers, and there is a shortage of teachers at any wage.

WHY TEACHERS GET NO MORE PAY

Almost all other groups of workers have increased production as their wages have risen; but the carpenters use electric tools; the painters spray, instead of using hand brushes; the doctors make quicker "calls" by telephone; while stores are fast adopting "self-service." Even the blond typist uses an electric typewriter; while her boss uses a Soundcriber. The housewife herself has cut down her work so as to make it unnecessary to employ maids and laundries; and, in fact, can even earn money by an outside part-time job.

With the faithful school teacher, the results are often the opposite. It is true that she has been given more "things" to teach and to talk about. These have been forced upon her school superintendent by high-pressure textbook salesmen and politicians. These outside "things" take the teacher's time and strength. I greatly sympathize all school teachers in their predicament.

SCHOOL TEACHING VERY INEFFICIENT

But the fact is that her product does not increase in efficiency and usefulness as her salary is increased. The good women now teaching my grandchildren get more than double the pay which the teachers received when I was in school. I, however, am convinced that these children do not get the training that I had 50 years ago. Moreover, every employer will say that the product of our schools is not as good as it formerly was. Furthermore, we employers are not allowed to "return the goods and get our money back" when the work of a graduate is inefficient and careless.

Basically, the job of a school teacher is to help her pupils develop their brains. If this has been properly accomplished, the other needs—character, health, posture, and personality—will naturally follow. Yet, our public school students are not taught anything today about their brain. They utterly fail to realize its marvelous powers, how it works, and its tremendous unused possibilities. In fact, only in the past year did I get interested in my own brain through Dr. George Russell Harrison, the wonderful M.I.T. Dean of Science. Write him for a copy of his article in a recent Atlantic Monthly. (Please enclose needed return postage.)

HOW TO REMEDY OUR DIFFICULTY

Now here is a suggestion which those responsible for the cost of the teaching of your children should seriously consider. Begin in the lower grades to interest the children in their brains. Instead of giving them "CAT" as the first word to spell, give them "BRAINS" to spell! Have at the top of every Report Card these words: "Report On How Your Brain Is Working." Constantly keep the children conscious of their brains and its marvelous possibilities.

Recently, I asked some boys what kind of reading interested them most? One replied, "Airplane Engines"; another said, "Space Flying"; while a third said, "To understand how a TV works." Then when I began to tell them of the marvelous machinery inside their own heads, they were fascinated. I gave them only one illustration of what happens when they see an object, and how the light waves reflected therefrom are changed to electrical impulses which in turn are registered and stored in a minute memory compartment of their brain to be taken out and used years later.

TERRIFIC RESULTS POSSIBLE

My point is this: Physiologists tell us that we are using our brains at only 3 percent of capacity. If so, think what it would mean to our future and the future of the nation to increase this 3 percent to only 6 percent. It could not only double efficiency of every public school graduate, but it could double our standard of living and it could make every one of us better, healthier, and happier. Then every teacher would gladly be given double her present salary, and more!

Arlington High Seniors Pass Naval ROTC Tests

Fourteen members of the senior class at Arlington High successfully passed the mental examination for the U. S. Navy's Reserve Officers' Training Corps. The next hurdle for them is the Navy's rigid physical examination, and then selection by the selection board.

Several hundred boys across the country will be selected as midshipmen, sent to college at government expense, paid a stipend each month, and finally commissioned as ensigns in the navy.

The successful Arlington boys were: Arnold Bradford, 10 Vanner road, Robert Daley, 50 Marathon st., Timothy Donovan, 272 Appleton st., David Dweley, 10 Pawnee drive, Kenneth Gramolini, 59 Milton st., Peter Gustafson, 155 George st., Frederick Herzog, Jr., 64 Lake st., Richard Holly, 160 Cedar st.

Also in the group were: Richard James, 61 Melrose st., Martin Mariner, 199 Park ave., Stanley Masters, 18 Vanner rd., Raymond McKeever, 47 Harlow st., John Ottoson, 370 Gray st., and Richard Peterson, 74 Cutter Hill road.

Not all the boys will take the physical examination, for some of them have changed their plans since taking the mental examinations in the fall.

Corsi Attends '57 Boat Show

Advance design in outboard motors and boats is capturing the buying fancy of the nation's huge recreational boating family, according to Al Corsi of Corsi's Marine Service, Arlington.

Corsi returned this week from the National Motor Boat Show in New York where he saw the radical, disc-shaped Evinrude Fisherman—fishing boat of the future. The \$14,000 Evinrude creation, featuring simulated electronic underwater search equipment—including color TV—was the sensation of the show, according to the local boating expert.

The Fisherman, he explained, is a perfectly round 14-foot craft designed to accommodate simultaneous fishing by six persons and a crew of two. One of the highlights of the National Motor Boat Show week, he said, was Evinrude Motors' theater party where dealers took over the Majestic Theater to see the smash musical, "Happy Hunting," starring Ethel Merman.

In other activities during the show, Corsi joined more than 600 other Evinrude dealers in dealer clinics on sales, service and marketing at the St. Moritz Hotel.

TOWN HALL

Press Conference

The Objectionable Literature Drive continues in Arlington with 34 places selling magazines, etc., visited this month. Seventeen stores had perfect records with no indecent literature; 12 more had less than five pieces of literature of objectionable nature and five had between six and eight pieces of objectionable literature.

The Board of Selectmen recently received a communication from the Legislative Council, Mass. Selectmen's Association advising of a hearing, February 21, at 10:30 a.m. at the State House concerning four bills pertaining to outdoor advertising. The bills in brief would restore the power of the Community concerning the placement of outdoor advertising.

The Board of Selectmen wrote to the Hudson Bus Company concerning the fact that the bus running from the Center to the area of the Junior West was getting the school youngsters to school too early. The Company replied that the bus was not a school bus, but a regularly scheduled passenger bus and the time could not be changed.

The Cyrus E. Dallin School will be officially dedicated Sunday, February 24, at 3 p.m.

To The Editor

To the Editor:

The Greater Boston area now has a unique opportunity for studying the vital decisions to be made in 1957. WGBH-FM and WGBH-TV (Channel 2) are presenting a series of weekly programs on the pressing problems confronting us. After each program on a topic the discussion will be continued by listeners organized in groups. Background information of a concise and very valuable nature for these programs and discussions has been provided by the Foreign Policy Association.

Kits of this material, plus an 'opinion ballot' to be sent to members of Congress and the State Department, are available. The Arlington League is cooperating with this project and groups have been set up in different areas of Arlington. Citizens of Arlington are urged to participate in this program; to invite their friends and neighbors in to listen to the broadcasts and participate in the discussion which will follow. For information and material, call Mrs. Joris Brankerhoff, 50 Bradley road, or Mrs. George D. Blackwood, 15 Orchard Terrace.

Sincerely,
Mrs. George D. Blackwood

Join Program

Mrs. George Louder, 235 Cedar ave., and Mrs. Robert Lynch, 7 Adams st., both of Arlington have recently joined a new program for young "marrieds" and mothers at the Boston YWCA, 140 Clarendon street.

The YW Wives has been started, according to Mrs. Fred J. Church, Chairman of the Club Department, in response to requests from young mothers in Greater Boston and from persons who have belonged to YW Wives in other YW-CAs throughout the country.

"The program," says Mrs. Church, "is geared to interests of young mothers who want an occasional period of relaxation, congenial sociability and instructive activity outside their homes."

Regular meetings of the group are held weekly on Tuesday mornings from 9:32 to 12:30.

Mothers of pre-school children aged two to six years may bring their youngsters to the YW nursery where they will be supervised by a qualified nursery instructor.

Open to any interested young "marrieds," each morning session starts off with a program on "Helps for Your Home," including talks by Mr. Robert H. Bird, representative, Finishes Division, DuPont Co.; Miss Bertha Hughes, director of consumer education, H. P. Hood and Sons; Miss Frances Cullen, director, Home Service Division, Boston Edison Co.; Miss Edna T. Peck, chief of Book Selection, Home Reading Service, Boston Public Library; and the Celanese Corporation of America.

Following each of these talks, the members of the group may sign up for a series of talks on "Your Child and You" by Miss Mae T. Mooney, director of Family Service Education, Family Service Association. Instead, members may take a class in slimming and trimming the figure through exercise to music and a swim in the pool.

For further information about registration and fees, call the Club Department, Boston YWCA, KEmmore 6-7940.
